

Oh When The Saints Go Marching In

On November 1, 2021, the Solemnity of All Saints, our fifth grade students made the saints come alive for their grandparents and grandfriends during our school-wide mass. Dressed as the saint of their choice, several students addressed the assembly with a short biography of their chosen saint. Other students sang and proclaimed the readings, as well as sharing the general intercessions. It was a great day to remember all the known and unknown holy men and women who have lived a life of faithfulness to God and to all people throughout the world. After the liturgical celebration, student saints and their grandparents/friends were welcomed to a reception in the school cafeteria. This year's celebration made an even greater impact since it was not possible to be held last year due to Covid. A holy, inspiring, and joyous day was enjoyed by all!
