Mrs. Falcone 5A

Welcome!

It is such an honor to be at Saint Matthias School for my third year and to be the Grade 5A teacher.

I come with years of experience in teaching on the elementary level in Special Education and General Education at various schools. Some of my interests are spending time with family and friends or watching a good scary movie on the couch with a bowl of popcorn. On the weekends you can find me getting into some nature adventure with my husband. We enjoy bike riding, hiking, tubing down the river, fishing or anything else outdoors. Fall is my favorite time of year; falling leaves, sweaters, pumpkins, football and Halloween. This fall in particular I am most looking forward to because my husband and I will be expanding our family by having our first child!

This year I will be your child's ELA and Social Studies teacher. We will also be furthering our faith in Religion to our Homeroom classes. Cheers to a new and yet again different school year!!!

Mrs. Szczecina 5B

Welcome!

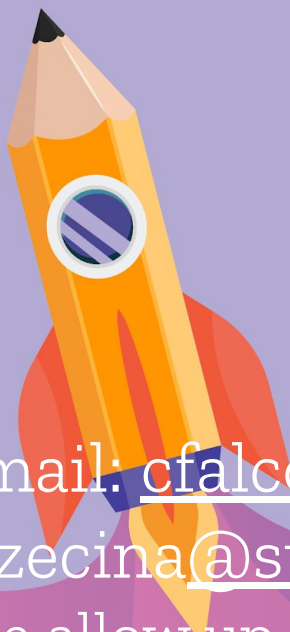

It is such a privilege to be the Grade 5B teacher at St. Matthias School.

I have been teaching for 18 plus years. I have taught several different grade levels and different methods. Some of my interests are spending time with my family, visiting farms, walking and going to the beach. On weekends you can find me in LBI and walking along the beach.

Spring/Summer is my favorite time of year. This year I will be teaching all the math and science to the entire 5th grade and I will also teach religion to the 5B homeroom.

This year I will be your child's Math, Science and Religion teacher. As a class we will be furthering our faith together in Religion class.

I am beyond excited to start this new school year with everyone!!
