

Google Classroom will be used for 2 things:

1. Communication: Announcements will be made regarding school and/or individual classroom notices.
2. Student work: Homework will be posted daily as well as, helpful resources.

Please be sure to connect with your child's account so you do not miss any reminders, notices or any work that will be posted. If you need the information on how to connect with your child's account please be sure to email us.

Thank you,
