Seesaw

In Prek Seesaw will be used for 2 things

1. Parent communication:
    Seesaw will be used to send the newsletter,
    Reminders and other messages to families.
2. Student work:
    Each student has their own personal Journal
    in Seesaw. Your child's work will be posted
    and shared here.

Please be sure to connect with your child's
account so you do not miss any reminders,
notices or any work that will be posted.

If you need the information on how to connect
with your child's journal please be sure to email
me.

Thank you
Mrs Adamski
