

MUSTANG WEEKLY

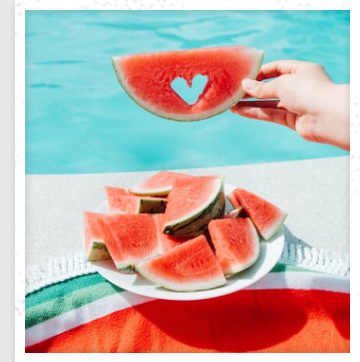

JUNE 7TH, 2023

Principal's Letter

Dear Parents,

In Christ's Peace!

Congratulations to our 8th grade students who graduated on Friday! We are all so very proud of you and your accomplishments this year.

Congratulations to our PreK and Kindergarten students as this Friday they will have their moving up ceremonies. They have grown so very much over this past year.

On Tuesday, our last day of school, the students will be receiving their final report card, supply list for next school year, as well as their summer packet for the rising 2nd-8th graders. Please be on the look out for this information in their backpacks.

Besides the work packet that will be coming home, an excellent resource is the Summer Bridge's workbook that is available through Amazon or Barnes and Noble. I highly recommend your child complete this daily for 10-15 minutes over the summer months. Another app that I highly recommend is "Homer" for students who are in grades PreK3 to 3rd grade. It is an excellent resource to help booster their reading, and it has many nonfiction stories on there as well.

Don't forget to have your children bring in any library books, tech items, HSA fees owed, etc. that needs to be returned to school.

Kindergarten parents, there is a funeral scheduled Friday at 10AM. Please note, we will start the Kindergarten Graduation at 11:15 Friday.

I just wanted to take this time and thank each and everyone of you for your support this school year. The community that we have here is like no other school. Our parents, students, and staff constantly go above and beyond for each other no matter what the situation is. As with any school, we have our ups and downs, but the love we all have for St. Matthias is priceless.

May God bless each and everyone of you, always!

Grace and Peace,

Mary Lynch
Principal
Saint Matthias School

KEEPING HEALTHY IN SUMMER!

Enjoying the Sun

Let's keep our skin protected.

Bees are Buzzing

Learn to stay safe from stings.

Strawberry Fields!

Eat lots of fresh fruit.
